REPLACEMENT GRILLE AND FASTENER

When ordering replacement grilles specify:

1. Series 50, 60 or diamond (Series 20);
2. type of unit;
3. daylight opening of unit;
4. grille cut and/or style (Please note if grille must align with another grille);
5. finish (bare wood or prime);
6. grille quantity, specify amount needed;
7. specify with or without surrounds.

Some restrictions may apply to special grille cuts, replacement grilles for round top or polygon units and new grilles ordered for existing units. The grille fastening system may vary from the existing grille. Replacement grilles are provided with the current fastener. Replacement grilles with full surrounds are available. Contact your Marvin representative for more information.
