**ORDERING REPLACEMENT SLIDING SCREENS FOR DOORS**

Note: Standard Top Hung Screens are available with fiberglass mesh and standard sizes only. Available colors are Stone White, Bahama Brown, Bronze, Pebble Gray, and Evergreen.

Top hung screens are available with aluminum surround and charcoal colored fiberglass 18 x 16 screen mesh. Aluminum mesh is available as an option in black, charcoal, bright aluminum or bright bronze (Ultimate screens only). Determine the outside measurement of the existing screen. Find the sizes that correspond to the width and height indicated on the following product charts.

When ordering replacement screen specify:

1. size; – If there is no existing screen from which to obtain the OM of the screen, determine the size of the screen by using measurement conversion chart below. The daylight opening is the measurement of the visible glass.
2. with roller guide assembly or screen panel only (ultimate top hung screen)
3. color;
4. mesh type (if other than standard);
5. handing.
