

PROJECT MEASUREMENTS

Measuring your windows and doors made simple

During your virtual appointment, you'll discuss all of your project details and measurements with a Marvin expert. We will confirm all measurements before ordering, so don't worry about being perfect. We're here to help if you need it.

- 1 Measure the width as seen on image
- 2 Measure the height as seen on image
- 3 Record your measurements on the next page

QUICK TIP: Round up to the nearest full inch
