

# COASTLINE STOREFRONT

# COASTLINE STOREFRONT

Marvin Coastline, previously known as SIW, combines a beautiful aesthetic, design flexibility, and a rigorous impact performance to help fulfill even the most ambitious visions for coastal homes. Coastline all aluminum windows and doors are available in expansive sizes allowing you to leverage stunning panoramic views. Available in select southeast coastal regions, Coastline products withstand high winds and flying debris generated by hurricanes and tropical storms and meet the most stringent hurricane impact code requirements in the State of Florida including Miami-Dade County.

## PRODUCT TYPES

### STOREFRONT PICTURE

- A single, fixed rectangular window
- Available in sizes up to 6 feet wide and 11 feet high
- Max of 44 square feet

### STOREFRONT OUTER EDGE GLAZE (OEG)

- Glass is nearly flush with the outer edge of the window frame
- Available in sizes up to 7 feet wide and up to 12 feet high
- Max of 72 square feet
- Can be mullered together with other Coastline OEG Storefront windows

### STOREFRONT OUTSIDE GLAZE (OG)

- Glass is glazed directly onto the outer surface of the frame
- Available in sizes up to 5.25 feet wide and heights up to 12.5 feet
- Max of 48 square feet
- Can be mullered together with other Coastline OG Storefront windows

## IMPACT RESISTANT GLASS

Coastline products feature impact resistant glass that is designed to protect your home against damage caused by hurricane force winds. If your home is ever threatened by a severe storm or hurricane, you can rest easy knowing that even your largest Coastline window or door will provide unsurpassed protection.

## COASTLINE STOREFRONT

Coastline Storefront products are perfect for establishing an impressive business facade but are also commonly used on homes to capture amazing views, strengthen connections to the outdoors and bathe indoor spaces with restorative light.

Storefront products are available in eleven colors and wood grain finishes, feature impact glass, and energy saving Low-E glass coatings, tinting, and insulated glass options.
