**Installation Instructions**

1. Line up bottom mullion fitting with center of door opening and flush with closed doors (Figure 1 or 2) and install.

2. Line up top mullion fitting with center of door opening and flush with closed doors as shown in Figure 3 and install. See Figures 5, 6, and 7 (reverse side) for optional frame conditions.

3. Cut mullion body to length as shown in Figure 4.

4. Insert mullion in top fitting and slide bottom of mullion into place. See Figures 5, 6, and 7 (reverse side).

5. Nest mullion into bottom fitting and secure set screw.

6. Install top mullion clamp over mullion and fitting with mounting screws. See Figure 8 (reverse side).

7. Adjust strikes for 1/32 clearance between latch bolt and strike. See Figure 8 (reverse side).
