Ultimate Sliding Patio Door: USPD
Ultimate Wood Sliding Patio Door: UWSPD

Details and Elevations not to scale.

R = Retro Size

- Lite patterns shown are for standard and SDL.
- All glass is tempered.
- Right or left hand operation is determined by the direction the door panel travels to open position, as viewed from exterior.

Please consult your local Marvin representative for masonry openings that include casings and subsills.

For further details and drawings visit the "Tools and Documents" section at Marvin.com.
